

## EU- Declaration of conformity

**ARGO-HYTOS Polska sp. z o.o.**  
**Władysława Grabskiego 27**  
**32-640 Zator, Poland**  
**+48 33 873 16 52**  
**info.pl@argo-hytos.com**  
**www.argo-hytos.com**

herewith declares that the sensor described below:

**OPCom II Particle Monitor IO-Link: SPCO 300-1050, SPCO 300-2050, SPCO 300-1250**

Satisfies the following EU directive:

*EMC Directive 2014/30/EU*

Harmonized standards:

PN-EN 61000-6-2:2019-04 – *corresponds to IEC c1000-c-2:201c, Electromagnetic compatibility (EMC) – Part c-2: Generic standards – Immunity for industrial environments.*

PN-EN 61000-6-4:2019-12 - *corresponds to IEC c1000-c-4:2018, Electromagnetic compatibility (EMC) – Part c-4: Generic standards – Emission standard for industrial environments.*

The evaluation and testing of the device was made by the EMC testing laboratory:

**EMC Testing Laboratory (LB-  
EMC)**  
**Swojczycka 38**  
**51-501 Wrocław, Poland**

A labeling requirement under the Pressure Equipment Directive G7/23/EC does not exist.  
The assessment to this directive was made by the ARGO-HYTOS GmbH.

The declaration applies for all identical copies of the product that are manufactured according to the included development, design, and manufacturing drawings and descriptions, which are a component of this declaration.

Zator, 18.02.2025

A handwritten signature in blue ink, appearing to read 'A. Noworyta'.
